Dear Dr Hoang,

**HREC Ref: # HC14073  
EFFECTS OF ECCENTRIC TRAINING ON ANKLE JOINT CONTRACTURE IN  
PEOPLE WITH MULTIPLE  
SCLEROSIS**

The HREC has examined your application for the above-mentioned project. Below is an extract of the minutes of the meeting held on 01-Apr-2014

The Committee reviewed the protocol and requested clarification of the following issues:

**Quote**

If the investigators want to classify this research as a clinical trial then they will be required to register the trial at ANZCTR and submit the number back to the committee. In addition, they will need to store their data for 15 years.

**Unquote**

Please address each of the issues raised by the Committee in a covering letter (include both the Committee's issues/questions and your response) and forward to Ethics Secretariat at [humanethics@unsw.edu.edu](mailto:humanethics@unsw.edu.edu).

Any changes requested in any attachments (e.g. the Participant Information Statement and Consent Form) should be either in italics or bolded for ease of cross checking (against the original).

Best regards

Ethics Secretariat
