Dear Professor Wood,

**HPH476: Genetic link between Fibrous Dysplasia and Intramuscular Myxoma in Mazabraud syndrome.**

Thank you for the requested amendments and clarifications to the above study. I am pleased to advise that the Hollywood Private Hospital Research Ethics Committee (HPHREC) has granted ethics approval.

Ethics Number: **HPH476** - Please quote in all correspondence to the HPH Research Ethics Committee

Approval Date: 2 April 2017

Expiry Date: 30 June 2018

Documents Reviewed / Approved:

- HPHREC Application Form
- Participant Information Sheet & Consent form version dated 01 April 2017

The Hollywood Private Hospital Research Ethics Committee is constituted and functions in accordance with the *NH&MRC National Statement on Ethical Conduct in Research Involving Humans* monitoring requirements. Therefore, a progress report of this study must be submitted annually.

In addition, you must advise the HPHREC immediately in writing in the event that any of the following occur:

- proposed changes or modifications that are made to the original protocol,
- serious or unexpected adverse effects on participants enrolled in the trial,
- unforeseen events that may affect continued ethical acceptability of the project.

On behalf of the HPHREC, I wish you every success with your project. If you have any queries, please do not hesitate to contact me.

Yours sincerely,
