HREC approval is valid from **27 November 2013 to 27 November 2014**.

Please note the following conditions of approval:

1. Researchers are required to immediately report to this HREC anything which might warrant review of ethical approval of the protocol, including:
 - a. proposed changes in the protocol; and
 - b. unforeseen events that might affect continued ethical acceptability of the project.
2. Protocols are approved for up to twelve months only and a report is required at the end of the study or 12 month period. Extensions will not be granted without a report to the Committee.
3. Confidentiality of the research subjects shall be maintained at all times as required by law.
4. A report and a copy of any published material should be forwarded to the Committee at the completion of the project.

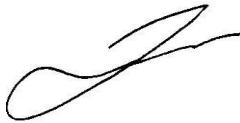

This Committee is constituted in accordance with the NHMRC's *National Statement on the Ethical Conduct of Human Research* (2007).

Should you have any queries about the HREC's consideration of your project please contact the Executive Officer of the Human Research Ethics Committee (TQEH/LMH/MH) on 08 8222 6841 or geh.ethics@health.sa.gov.au

You are reminded that this letter constitutes ethical approval only. You must not commence this research project at a SA Health site until separate authorisation from the Chief Executive or delegate of that site has been obtained through the Site Specific Assessment (SSA) process.

The HREC wishes you every success in your research.

Yours sincerely
